

Summer 2019

KRISTI  HOUSE'S
25TH ANNIVERSARY

Silver Lining

G A L A

Dear Community Supporter,

FROM TRAUMA TO TRIUMPH

At Kristi House, generous donations from our community fund vital services for the abused children we serve. Kristi House remains the only Children's Advocacy Center in Miami-Dade responsible for serving victims of child abuse and sex trafficking. Whether a long-time donor or potential new friend of Kristi House, we sincerely thank you for your generous consideration and support of our mission.

We will be celebrating 25 years of healing at this year's **Silver Lining Gala** on Saturday, February 8, 2020 at Four Seasons Miami. The elegant evening will feature gourmet cuisine, great cocktails and fine wine, dancing, a luxury auction and a few surprises.

We hope we can count on your support for our annual Kristi House Gala! One hundred percent of the funds raised from the auction will go directly to help abused and exploited children. Supporters of this event ensure continuation of treatment and services to children and families who would have no other place to turn for help.

Can you support us in our effort to heal and eradicate child abuse and sex trafficking? We would be honored to have your help this year. We are certain your donation will create a lot of excitement and help raise significant support. Please return the enclosed Auction Donation Form to us.

If you have any questions, please email the Kristi House Development Team at events@kristihouse.org. We look forward to hearing from you!

On behalf of the children we serve, many thanks for your consideration and support.

Sincerely,

Elizabeth Schaul, Board Member
Silver Lining Gala Co-Chair

Barbara W. Havenick
Silver Lining Gala Co-Chair
